

2017-2018 COURSE SYLLABUS

Chemistry P (QCS250)

1 year (10 Credits)

Course Description

Chemistry is a two-semester course covering inorganic chemistry, which is designed to meet the needs of students pursuing a science major in a university or college. The course encompasses both organic and inorganic chemistry (Full outline under Course Outline heading). These major areas will overlap to reemphasize and build a sound foundation in chemistry. The laboratory portion will correlate with the instructional units of this course. This course meets the A-G Requirements for the University of California and is aligned with the California Science Content Standards for Chemistry.

Contact Information:

- Name: Ms. Henry
- Email: Yasmin-henry@scusd.edu
- Phone: 916-395-5090 ext: 506123
- Room: B-23
- Website: www.funphyz.com

Textbook

Chemistry: Matter & Change (Glencoe/McGraw Hill) c. 2005

Required Materials:

- 2-inch Three-Ring Binder (5 Sections)
 1. Lined Paper for notes, daily agendas, homework.
 2. Reference materials (e.g. periodic table, charts, values, etc.)
 3. Work that is to be turned in.
 4. Work that you keep for studying
 5. Graded work.
- Pens (Blue/Black Ink Only), Pencils, highlighter
- Scientific Calculator
- USB FlashDrive (recommended)

Course Outline (Topics covered in this course)

- Introductory Lab Skills & Basic Calculations
- Atomic and Molecular Structure
- Chemical Bonding
- Conservation of Matter & Stoichiometry
- States & Properties of Matter
- Chemical Equilibrium
- Acids & Bases
- Chemical Thermodynamics
- Reaction Rates
- Nuclear Processes
- Organic Biochemistry
- Oxidation/Reduction & Electrochemistry.

Course Objectives: In addition to the topics mentioned above, students will learn academic reading, writing, and speaking skills. Students will use inquiry and critical thinking skills to solve problems.

2017-2018 COURSE SYLLABUS

Late Work vs. Make up Work:

Late work: If you were in attendance, were aware of the assignment(s), and simply did not do it or waited until the due date or after to do it, it is LATE! Late work will be issued a 20% per day deduction until the grade reaches zero. It is unfair to those students who do their work on time. With total amount of students, feedback must be given in a timely manner.

Make-up Work: Students with a verifiable excuse will be given the opportunity to make up their work. I will have short forms for you to complete and attach to make-up work when needed.

If a student is suspended or an absence is unexcused, makeup work will **NOT** be provided and a zero grade will be issued. Students can get their make-up work by:

1. Checking my website (where you can get information & download material). www.funphyz.com
2. Accessing the worksheets in class.
 - Students have the length of time that they were absent to make up their work. (e.g. if you were absent one day, you have one day to make up the work and turn it in; two-days absent, two days to submit, etc.).
 - This goes for all excused absences, field trips, illness, family emergencies, and sporting/academic events,
 - When submitting make-up work: list the date(s) you were absent.
 - I update grades in Infinite Campus weekly. Please check on Mondays for the most recent grade. If you want good feedback, it takes time for me to provide it.
 - Tests & Quizzes are announced in advance; If absent, makeups must be done at lunch or after school within two days of your return. Tutoring: Need help? I am available after school 3

Tutoring:

Need help? I am available before school (7:30 a.m.-8:15 a.m.) and at lunch daily. (except Wednesday at lunch).
I am also available for help after school on Wednesdays.

Academic Expectations

1. Be prepared and ON TIME every day: at your desk when the bell rings, writing agendas. Bring binder and materials daily. Bring text when assigned.
2. Cell phones are NOT allowed unless given permission. Otherwise, I don't want to see nor hear it. If that happens, your phone will be confiscated and sent to the VP's office. Your parent/guardian will have to retrieve it.
3. No Food or Drinks! - This is a laboratory classroom. Due to the exposure of chemicals, no food or drink allowed. A closable water bottle may be used at your desk.
4. Be respectful of your fellow classmates and the teacher. Respect is earned!
5. Practice Academic Integrity. Plagiarism, Cheating, and Dishonesty will not be tolerated. Zero grades will be issued.
6. Ask for help when needed! Try your best and keep up in class.

Grade breakdown:

- | | |
|---------------------------------------|--------------------|
| • Assignments/Homework: 10% | A = 89.5-100% |
| • Laboratory/Research Activities: 20% | B = 79.5-89.4% |
| • Quizzes 15% | C = 69.5-79.4% |
| • Chapter Tests 20% | D = 59.5-69.4% |
| • Projects 20% | F = 59.4% or below |
| • Comprehensive Final 15% | |
